Dr. Joshua Lederberg
Department of Genetics
University of Wisconsin
Madison 6, Wisconsin

Dear Lederberg:

I am very glad to know that you are planning to take Miss Lively as an assistant if the necessary funds are approved. I am confident that she would do well.

Thank you for your comment about Mr. Zinder.

Dr. Witkin is handling the genetics of microorganisms bulletin. Since she has just had a baby, this as well as other work she was doing has been interrupted.

With best regards,

Sincerely yours,

A handwritten signature in dark ink, appearing to read 'M. Demerec', with a stylized, cursive script.
